crore during 2003-04. The package, *inter-alia*, provided reschedulement of debt and debt relief measures for the farmers.

Besides, to reduce the burden of interest on Crop Loans availed by farmers for Kharif and Rabi 2005-06, an amount equal to two percentage points of the borrower's liability on the principal amount upto Rs. 1,00,000/- was credited to their account. Thereafter, from Kharif 2006, to ensure that the farmer receives Short-Term Production Credit at 7% with an upper limit of Rs. 3 lakh on the principal amount, the Government is providing interest subvention of 2% per annum to Public Sector Banks, Regional Rural Banks (RRBs) and Cooperative Banks on their lending from their own resources and refinance at concessional rates to cooperative banks and RRBs on their borrowings from NABARD.

Further, 31 debt stressed districts in the four states of Maharashtra (06), Andhra Pradesh (16), Karnataka (06) and Kerala (03), the relief package was announced for farmers by the Government. It provides for waiver of the entire interest on overdue loans as on 01.07.2006 over a period of 3-5 years with a one year moratorium. The Government has released Rs. 1359.13 crore as its 50% share towards interest waiver for 31 districts.
